Технические характеристики на устройства дренирования грудной клетки Atrium Express, Atrium Oasis, Atrium Ocean компании **GETINGE**

Виды товаров: устройства дренирования грудной клетки мокрого всасывания, гидрозатворы, приборы для плевральных дренажей, устройства дренирования грудной клетки сухого всасывания, мобильные устройства дренирования грудной клетки.

Atrium Ocean

Wet suction water seal chest drain

Traditional design you trust. Innovations you'll appreciate.

The Ocean 2002 Series Chest Drain features a graduated water seal that provides convenient assessment of intrathoracic pressure. The chest drain uses a familiar wet suction operating system that sets up in seconds and transports easily.

Getinge's complete family of chest drains feature multi-position hangers, a needleless access port for patient drainage sampling, automatic high negative pressure relief, and knock-over nozzles to help reduce interchamber spills.

Atrium Ocean: Single collection 2002 series

Atrium Ocean description	Case qty.	Part number
2002 series single collection, 1 patient tube		
In-line connector, suction control stopcock	6	2002-000
In-line connector, suction control stopcock, pediatric connector	6	2002-040
In-line connector, no suction control stopcock	6	2002-100
2020 series dual chamber, 2 patient tubes		
In-line connector, suction control stopcock	6	2020-000
Suction control stopcock, no in-line connector	6	2020-300
2012 series infant/pediatric 1/4" tubing, pediatric connectors		
Suction control stopcock, in-line connector and clamp	6	2012-320
2050 series ATS Blood Recovery, 1 patient tube		
In-line connector, suction control stopcock	6	2050-000

Infant/Pediatric 2012

Dual Collection 2020

ATS Blood Recovery 2050

Atrium Oasis

Dry suction water seal chest drain

The easy-to-use water seal chest drain.

The Oasis 3600 Series combines dependable preset -20 cmH₂O vacuum control with state-of-the-art dry suction regulation.

By including pre-packaged sterile water to fill the water seal, along with knock-over protection, the Oasis Dry Suction Water Seal Chest Drain offers fast set-up and is easy-to-use. The full-view graduated water seal makes air leak detection fast and easy to track.

Atrium Oasis: Single collection 3600 series

Infant/Pediatric 3612

ATS Blood Recovery 3650

Dual Collection 3620

with pre-packaged water for fast, convenient set-up

Atrium Oasis description	Case qty.	Part number
Single collection, 1 patient tube, ATS bag compatible	6	3600-100
Infant/Pediatric, 1 patient tube, 1/4" tubing, pediatric connectors, in-line connector and clamp	6	3612-100
Dual collection, 2 patient tubes, ATS bag compatible	6	3620-100
ATS Blood Recovery, 1 patient tube, ATS bag compatible	6	3650-100

Atrium Express

Dry seal chest drains

Fast set-up speed and efficiency with advanced dry seal technology.

Atrium Express Chest Drains offer quick and convenient set-up with patient protection. The Express Chest Drain integrates precision dry suction regulation, and a dry seal one-way valve technology for patient safety.

The Express 4000 Series offers knock-over protection with an innovative system of knock-over nozzles that help reduce interchamber spills and allow safe transport.

The Express lives up to its name, with pre-packaged sterile water provided and set-up is immediate.

Atrium Express: Single Collection 4000 Series

In-line connector with needleless access sampling port

Dry seal valve technology protects patient in any position

Convenient fingertip suction adjustment from -10 to -40 cmH₂O (pre-set at -20 cmH₂O)

Highly visible suction indicator

High negative and positive pressure relief valves for patient protection

Graduated monitor for patient air leak trends

Not made with natural rubber latex

Large, easy-to-grab handle and flexi-hangers allow the drain to be hung bedside from a single point

Internal knock-over nozzles to reduce inter-chamber fluid spills

Large, easy-to-read graphics provide fast, accurate drainage assessment

Removable slide clamp

with pre-packaged water for fast, convenient set-up

Atrium Express description	Case qty.	Part number
Single collection, 1 patient tube, ATS bag compatible	6	4000-100N
ATS blood recovery, 1 patient tube, ATS bag compatible	6	4050-100N

ATS Blood Recovery 4050

Atrium Express Mini 500 and Pneumostat

Mobile chest drains

Atrium Mobile chest drainage products from Getinge are lightweight and ergonomic for easy patient ambulation. The Express Mini 500 and Pneumostat feature a dry seal one-way valve for convenient set-up and maximum patient protection in any position.

Express Mini 500

The Express Mini 500 is a full-featured mobile chest drain. These small, portable drainage collection units with pre-set suction help patients become ambulatory with the convenient, easy-to-wear "get mobile" size.

The Express Mini 500 incorporates a 500 ml collection volume, and a patented automatic pre-set suction regulator at $-20 \text{ cmH}_2\text{O}$. In addition, the Express Mini design includes a dry seal one-way valve in a lightweight, ergonomic configuration for patient protection.

Pneumostat

The Pneumostat Chest Drain Valve is a disposable, single-use chest drain valve with a small, graduated 30 ml collection capacity integrated with a novel one-way dry seal valve technology.

The Pneumostat Chest Drain Valve is easy-to-use, providing patients excellent protection with a low-cost solution.

Express Mini 500 Dry Seal Chest Drain

High negative and positive pressure relief valves for patient protection

Vacuum indicator

Automatic pre-set suction regulator at -20 cmH₂O

Needleless access sampling port

Simple patient air leak detector window

500 ml collection volume

Multiple chest tube connector options

Pneumostat Chest Drain Valve

Multiple chest tube connectors

Fast, secure garment attachment

Small, graduated 30 ml collection capacity chamber

Unique air leak well provides quick, simple air leak confirmation

Needleless access sampling port for convenient fluid removal

Express Mini 500 Dry Seal Chest Drains

Description	Case qty.	Part no.
Express Mini 500	6	16400
Express Suction Bulb	10	19930

Pneumostat Chest Drain Valve

Description	Case qty.	Part no.
Pneumostat Chest Drain Valve with 30 ml Collection	10	16100

Not made with natural rubber latex.
